PMS stands for Pantone Matching System. PMS colours are standardised colours listed in the Pantone Colour Formula Guide. Each PMS colour is identified by a number which printers and makers can reference in order to re-order to ensure consistent colour.

- For a 1 PMS colour envelope, artwork must be supplied containing only one PMS colour.
- For a 2 PMS colour envelope, artwork must be supplied containing exactly two PMS colours.
- For a 4 colour envelope, artwork must be supplied containing CMYK colours. Pantone uncoated colours can be found below.

Please note, our supplier file formats is based upon Adobe Photoshop and all Microsoft Word documents do not support PMS colours. If you are supplying artwork for a PMS colour job, DO NOT supply these formats. Our preferred file type is always press ready PDF's.
